Nouvelle collection

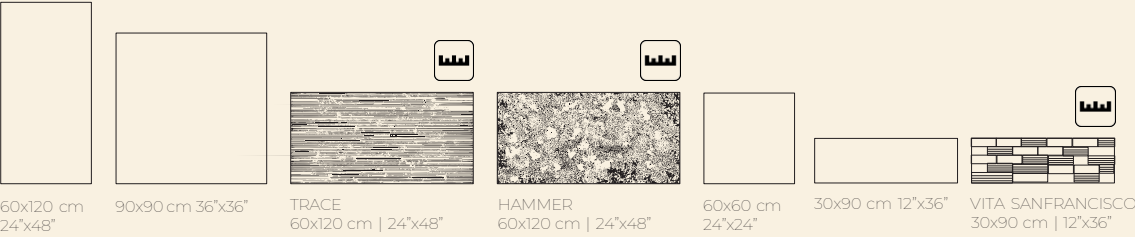

SAN FRANCISCO

Une collection de céramique qui allie des lignes organiques et une finition artisanale à un esprit contemporain. Avec leurs tons terre et leur texture mate, ses pièces évoquent la chaleur du fait main tout en offrant un design épuré et polyvalent, idéal au quotidien comme pour les occasions spéciales.

A ceramic collection that combines organic lines and a handcrafted finish with a contemporary spirit. Its pieces, in earth tones and with a matte texture, evoke the warmth of handmade items without sacrificing a clean and versatile design, ideal for both everyday use and special occasions.
